

Step 1:

URL : <https://aws.amazon.com/>

The screenshot shows the AWS 'Create an AWS account' page. On the left, a large heading reads 'AWS Accounts Include 12 Months of Free Tier Access', with subtext 'Including use of Amazon EC2, Amazon S3, and Amazon DynamoDB' and a link to 'aws.amazon.com/free'. On the right, a form titled 'Create an AWS account' contains fields for 'Email address', 'Password', 'Confirm password', and 'AWS account name'. A yellow 'Continue' button is below the form. At the bottom of the form, there is a link to 'Sign in to an existing AWS account' and a small copyright notice: '© 2019 Amazon Web Services, Inc. or its affiliates. All rights reserved. Privacy Policy Terms of Use'.

Step 2: Enter Contact Information

The screenshot shows the AWS 'Contact Information' page. The heading 'Contact Information' is at the top, with a note 'All fields are required.' to its right. Below the heading, a message says 'Please select the account type and complete the fields below with your contact details.' The form includes an 'Account type' section with radio buttons for 'Professional' and 'Personal' (the 'Personal' button is selected). Below this are fields for 'Full name' (containing 'awstraining'), 'Phone number', 'Country/Region' (a dropdown menu showing 'United States'), 'Address' (two stacked text boxes for street and apartment/suite information), and 'City'.

Step 3 – Part 1 – Enter Debit/Credit card Details

aws

English

Payment Information

We use your payment information to verify your identity and only for usage in excess of the [AWS Free Tier Limits](#). We will not charge you for usage below the AWS Free Tier Limits. For more information, see the [frequently asked questions](#).

As part of our card verification process we will charge INR 2 on your card when you click the "Secure Submit" button below. This will be refunded once your card has been validated. Your bank may take 3-5 business days to show the refund. Mastercard/Visa customers may be redirected to your bank website to authorize the charge.

Step 8: Enter your role and interest

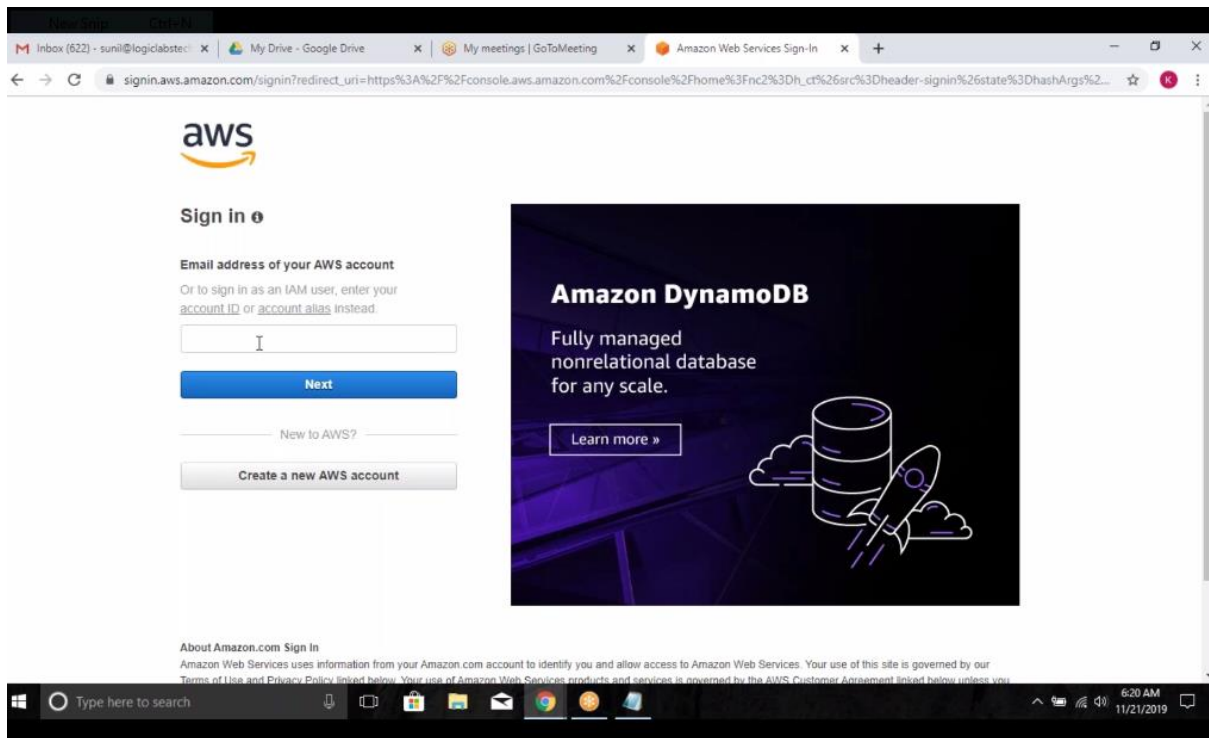

The screenshot shows the AWS website's 'Personalize Your Experience' section. At the top is the AWS logo and a navigation bar with links: Products, Solutions, Pricing, Documentation, Learn, Partner Network, AWS Marketplace, Customer Enablement, Events, Explore More, and a search icon. Below the navigation bar, the heading 'Personalize Your Experience' is displayed. A subtext says 'Fill in the blanks below to receive recommendations catered to your role and interests.' The form has two dropdown menus: 'My role is: Software Developer / Engineer' and 'I am interested in: DevOps'. A yellow 'Submit' button is at the bottom of the form. Below the form, there's a section titled 'Try a Tutorial on the Free Tier' with a 'COMPUTE' subheader. It features three tutorial cards, each with a checkmark icon: 'Launch a Linux Virtual Machine', 'Deploy Docker Containers', and 'Run a Serverless "Hello, World!"'. At the bottom of the screenshot is a Windows taskbar with a search bar and several application icons.

Step 9: Thank You

The screenshot shows the AWS website's 'Thank You' page. It features the same AWS logo and navigation bar as the previous screenshot. The main content area has a large 'Thank You' message in orange text. Below this, there's a section titled 'Try a Tutorial on the Free Tier' with a 'COMPUTE' subheader. It features the same three tutorial cards as the previous screenshot: 'Launch a Linux Virtual Machine', 'Deploy Docker Containers', and 'Run a Serverless "Hello, World!"'. At the bottom is the same Windows taskbar.

Step 10: Login with your details

Step 11: AWS Management Console
